

## **HOT LUNCH FEE FORM**

In order to keep Hot Lunches for the children at Faith Lutheran School, it is necessary to implement a monthly charge for this service. We will continue to provide hot lunches and snacks each day for your child but you must complete this form and return it with your registration packet. If you chose NOT to participate in Hot Lunch, you must still complete the form and return it.

At the beginning of each month, if you elect to have your child get a hot lunch each day, your tuition bill will reflect a \$50.00 Hot Lunch Fee. This fee covers the entire month and is for all accounts, except for Infants. If your child doesn't care for a meal on a certain day, you may certainly send a lunch to school with him/her, but you will NOT receive a rebate for those days. We are required to order our food in advance, so our meal count will reflect the monthly total. You may elect to add Hot Lunch at the beginning of a new month, or delete the Hot Lunch option, by calling the school and informing the administrative assistant.

Please complete the form below and return it with your registration packet.
